

PST Series Pressure Switches

Features:

1. Direct Pressure read-out with handy knob.
2. Service life time upto 100,000 times.
3. Panel type mounting.
4. Pipe connection port, 3 types of threading for choosen.
5. Weight: 1.2 kg.

HOW TO ORDER

PST-02 - H - 20

Design no.:

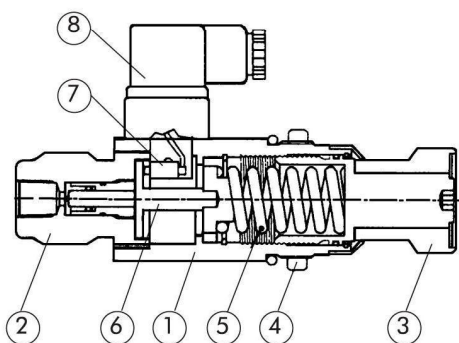

Pressure adjusting range:

Model No.	Adj Range Bar	Surge pressure
A	6~40	150
C	15~100	250
H	40~250	300
S	50~350	400

Series no.

PST-02: Panel mounting, direct read-out Pressure Switch

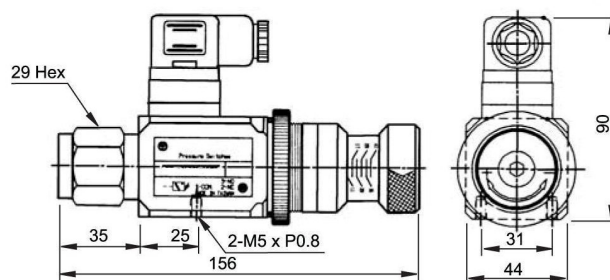

SCHEMATIC CROSS-SECTION

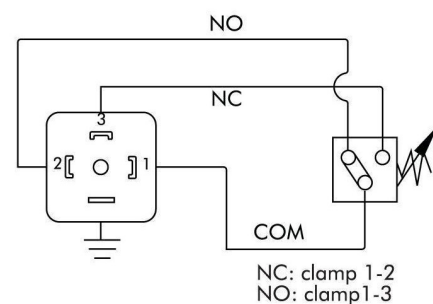

1	Body(Casting Iron)	5	Spring
2	Connecting port	6	Servo Piston
3	Pressure Adj. Konb.	7	Micro Switch
4	Mounting screw	8	Wiring connector

DIMENSIONS:

UNIT: mm

WIRING DIAGRAM:

Breaking capacity	AC	DC
Voltage up to	125, 250	125, 250
Resistance load	5	0.5, 0.25

PERFORMANCE CURVES:
